### New Business:

- 1) 2016 Financial Report- The treasurer, G. Lee, didn't have the report to present however she would email the in the coming days. Shannon mentioned that a little over \$2,000 dollars was collected according to her own calculations and that \$285.00 was donated to the family fund. How the funds would be distributed was up for discussion. S. Manning wanted most of the donated funds to go towards the family scholarship. G. Lee wanted the reunion fee increased in order to have more events. J. Swain asked about the rollover (donated) funds from the 2012 reunion collected by S. Manning. S. Manning mentioned that the distribution was explained at 2014 family meeting which J. Swain didn't attend. S. Manning noted that of the \$150 collected \$75 dollars was send to 2014 reunion treasurer, B. Lee, and other \$75 was send to 2016 reunion treasurer, G. Lee, to buy postage for the mailing of the reunion registration information.
- 2) Establish 2018 reunion host-Several people have ideas on the next reunion location. S. Manning suggested Quincy, FL where many Barnes' reside. F. Brown suggested Gatlinburg, TN. He mentioned the good accommodations, entertainment, and other events the resort had to offer. L. Faison volunteered to host the 2018 in Biloxi, MS, however J. Swain dismissed her offer(due to L. Faison health) and proposed to send a survey to the family with the reunion location choices of Biloxi, Quincy, and Gatlinburg, TN. S. Manning disagreed with survey since there was someone present who wanted to host the next reunion. Others agreed with the sending survey. R. Tribbet and S. Manning volunteered to help with reunion planning. J. Swain asked S. Manning to provide her with family contact information.
- 3) Establish Scholarship committee-Not discussed.
